#### Miss Pemberton Says Teaching Is a Rewarding Profession

MISS BESS B. PEMBERTON, retired after more than fifty years in the teaching profession—all but two in Saline county—stole the show yesterday at the spring meeting of the Saline County Teachers association institute, held at Harrisburg Junior high school.

Miss Pemberton, who taught her first five years in Galatia, two in McLeansboro, ten in the Eldorado high school and the last 35 in Harrisburg Township high school, spoke after receiving a bouquet of roses from the teachers of the county.

"The greatest thing that can be said of teaching is that it is a rewarding profession," Miss Bess told the gathering. "I see friends everywhere I go and it is warming to my heart."

She told of the old Presbyterian minister she knew as a girl in Galatia, "the sweetest spirit I ever knew."

Later, when she was having her troubles with one certain red-headed boy at McLeansboro, where this minister was then living, he told her:

"Bess, you'll win out if you never learn to dislike that boy."

Then she stated to the gathering: "That's the philosophy for every teacher who ever had a troublesome boy or girl. The only way to keep from disliking them is to be so good to them that they can never get into your heart."

Miss Bess, who said she guessed pupils got by with murder in her classes because she never was a good disciplinarian, declared that the only way she knew to hold people was by having them like her and want to do right.

And her years of teaching showed that her system was a good one, considering she was a frail girl at the outset who wasn't expected to live long.

She told of her first school in Galatia.

#### J. Lester Buford Addresses Meeting Held at Junior High

New officers were elected, 118 veteran teachers were honored and J. Lester Buford spoke on the subject, "Proud to Teach," at the annual spring institute of the Saline County Education association held yesterday in the Harrisburg Junior high school auditorium.

Jack Large, Galatia high school principal, was elected president, succeeding Brose Phillips. Ben Brinkley, Muddy principal, was elected vice president. Raymond Rann, Carrier Mills, was elected secretary-treasurer and Eltis Henson, HTHS principal, was named member of the executive committee.

Mr. Buford, past National Education association head who is superintendent of schools in Mt. Vernon, delivered an inspiring message in which he gave countless reasons for being proud to be a teacher.

Gardner Presents Awards  
"We're proud we chose it as a profession," he stated. He read letters from teachers in which they expressed the joy, the satisfaction and the challenge they had received from teaching.

"Give it your best or get out," he said, "no matter how great the shortage."

#### Three Boys on School Holiday Die in Cave-In

ANAHEIM, Calif. (AP) — Three boys enjoying a school holiday met death Friday when a cave they were playfully digging in an embankment collapsed and entombed them under tons of dirt in a free-way construction project.

The crumpled bodies of William David Barron, 7, Steven Wayne Jones, 10, and Larry Joseph Scherer, 13, all of Anaheim, were found at the bottom of the embankment.

The victims along with a fourth boy, Billy Hushman, 11, set out shortly before noon to dig the cave with shovels near a partially built underpass for the freeway. Billy was spared death when he went home to get another shovel.

Scores of volunteer workers, police and firemen began digging in the area. Hundreds of onlookers were on the top of the embankment when the body of the first victim, young Scherer, was recovered about an hour after the rescue operations began. His mother, who had rushed to the scene, cried, "Oh, my God," and collapsed in hysteria.

The two other bodies were found about 20 minutes later huddled together in what was their small cave.

"One of the boys had his hands clasped over his eyes when we found him," officer Henry Bryant said. "They didn't have a chance when that dirt started to crash down."

#### Truth Day Sales a Success

To tell the truth, Truth Day was a dandy.

General reaction of merchants around the square today that yesterday's George Washington Truth Day Sale was more than satisfactory, with store traffic far above average levels most of the day. Although the "fantastic" items were sold as soon as doors opened at most stores, shoppers stayed downtown to buy, and traffic in regular stock items was very good at most stores.

A spokesman for the Harrisburg Businessmen's Association extended the thanks of the group to everyone who responded to the sale, and virtually assured the public that Truth Day would be repeated again next year.

#### Opens District Office Here for Forney Industries

Ray Hutchins, Benton, is in Harrisburg this week, readying the storehouse at 20 South Vine in the Raleigh building, for a district office for Forney Industries of Fort Collins, Colo.

The district office will represent the are welder division of Forney Industries, by which many different machines etc. are manufactured, including airplanes.

Mr. Hutchins has been with this company since November, at Centuria, where another district office is located.

The Harrisburg office will serve a fifty mile radius which extends into western Kentucky. Eight or ten salesmen will be employed, and the product they will sell is a portable combination repair unit, commonly used on farms and in other industries where welding is necessary.

### Crippled Third Grader Dies In School Blaze

Only Fatality as 400 Flee; 33 Suffer Burns

MOUNT AIR, N. C. (AP) — A crippled nine-year-old third grader who "just couldn't walk right" dropped behind his 400 fleeing classmates Friday and burned to death in a flaming school.

Larry Adams, crippled from birth, was the only fatality in the flash fire that swept through the Flat Rock Elementary School.

Today authorities praised two women teachers and the school principal for their heroism in leading the children to safety and possibly preventing the worst school disaster since the New School, Tex., explosion that killed 294 pupils in 1937.

Only one fire truck answered the alarm. A second was at another fire and the only other available truck, a pumper, was useless because there are no hydrants in the area around the school.

Thirty-three teachers and students were burned. Twenty of them required hospitalization, but three were released later.

The Adams boy's heroic teacher, elderly Mrs. Cora Beasley, returned for Larry but was herself trapped and critically burned. She was dragged from the flaming building by Principal A. P. Phillips seconds before the roof collapsed.

### Maurits Kesnar, Former SIU Music Dep't Head, Dies

Dr. Maurits Kesnar, 56, former chairman of the Southern Illinois Music department, died Friday evening in the Marion Memorial hospital after a lingering illness.

A native of Amsterdam, Holland, Dr. Kesnar came to SIU in 1946 as chairman of the music department. He served in that capacity until 1953 when the department was reorganized.

He leaves his widow, the former Mary Geis, and a son, Maurits Peter of Decatur.

Funeral services will be held Monday at 10 a. m. in St. Andrew's Episcopal church in Carbondale with Rev. John W. Harris officiating. Burial will be in Valhalla cemetery, St. Louis.

Mr. Kesnar founded the Southern Illinois Symphony orchestra in 1949 and had served as conductor since that time.

### Sen. Douglas Charges Reactionary Republicans Team with Dixiecrats

CHICAGO (AP) — Sen. Paul H. Douglas (D-Ill.) today called for a purge of northern and mid-western "reactionary Republicans."

Douglas told the Illinois State Convention of the CIO that these Republicans had teamed up with conservative Democrats and Dixiecrats to run Congress and the country.

"The best way to correct this situation is to change the balance of power," Douglas said. "Elect progressives in place of these reactionaries."

Douglas attacked persons who claim unions should not be active politically.

"This is anti-democratic," he said. "Since business is organized politically, why should not wage earners and salaried workers be?"

Outlines Three Projects  
Douglas outlined three projects he hoped to put through the current session of Congress. The projects were:

—Broadening coverage of minimum wage laws.

—A domestic point four program for the nation's distressed areas.

—A "meaningful" civil rights program.

"But we cannot muster more than 35 to 40 votes in the Senate and perhaps 140 to 150 in the House," he said. "The Congress and the country still are run by the alliance between conservative Republicans and Dixiecrats."

Douglas said, however, that he still believed the proposals could get through Congress "once the facts are made fully known."

One of the principal areas that would receive help under Douglas' point four plan is southern Illinois, which, Douglas said, has been a depressed area for some years.

Douglas said he took issue with those who felt families from depressed areas should simply move away.

### Att'y Harry L. McCabe Named To Head Red Cross Fund Drive

Attorney Harry L. McCabe of Harrisburg has been appointed to serve as the Saline County Red Cross fund drive chairman. Mr. McCabe is the assistant state's attorney in Saline county.

The appointment of Mr. McCabe was announced by Alfred Adams, chapter chairman, at the meeting of the board of directors this week. Mr. McCabe has appointed Bruce Polk and Dick Davent to select a chairman for Harrisburg; John Murphy, Alfred Adams, and Bruce Burnett to select the Eldorado chairman; Loren Dallas, James Thornton, and Leighman Walker to select the Carrier Mills chairman; Pete Gardner and Jack Large to select the Galatia chairman; Eckert Ozment appointed in Stonefort; Herman McFar' appointed in Independence township; Ben Wintzer appointed in Cottage township. The committees in other townships will be announced in the next few days.

A county meeting of all chairmen and workers in the fund drive will be held at the Junior high school here at 7:30 p. m. Thursday Feb. 28. The drive will start on March 1. Mr. McCabe wants the workers from the entire county to meet together as it is a county organization and requires the help of every resident in the county to support the American Red Cross.

All Americans — regardless of race, creed, color, or occupation — are invited into membership in the American Red Cross to assist those in need in time of disaster; ease pain and suffering

through the Blood program; keep the home safe through first aid and water safety; comfort and lighten the task through care of the sick and mother and baby care classes; counsel and relieve anxiety as well as assist financially through service to the armed forces and veterans;

Broaden the scope of our youth through the Junior Red Cross; reach the unfortunate in far-off places through international relations; develop the neighborhood way through volunteer services.

By performing these services Red Cross is on the job when it counts.

The board of directors only manages the Red Cross chapter and decides what programs needed in the community can be carried on in the county in accordance with the amount contributed by the people. Everyone who joins the Red Cross is a voting member at the annual meeting held each year to elect officers and make plans for the county chapter.

### Pinckneyville High Principal Asked to Resign

PINCKNEYVILLE, Ill. (AP) — The Pinckneyville community high school board of education has asked Principal Roland Keene to resign and seven faculty members reportedly have turned in their resignations.

Board President Vernon Masters said the board will have no comment at this time on its 42 vote to fire Keene. The action came at a meeting Thursday night.

Keene said his plans are indefinite but that he will endeavor to see that any change takes place smoothly and in the best interests of the school. He has not yet turned in his resignation.

The action is not thought to have any connection with the announcement last week by Merrill (Duster) Thomas, basketball coach, that he would quit as cage coach at the end of the school year.

Keene has been a member of the high school faculty for 20 years. He became principal in 1939.

### Riley Curry, 24, Son Of Former Resident, Dies in Michigan

Riley Curry, 24, son of Mr. and Mrs. Willy Curry of Augusta, Mich., died suddenly Wednesday at 3:30 p. m.

His mother is the former Verda Gates, daughter of Mrs. Fanny Gates of Harrisburg, and he is the nephew of Mrs. J. D. Douglas of the Liberty community.

He also leaves a wife, four small children, four brothers and four sisters.

Funeral and burial will be near Salem, Ky., where the family lived for many years.

### Israeli Envoy En Route for Talks with Dulles

Canadian Delegate May Ask UN to Call For Non-Belligerency

By United Press

Western diplomats cautiously predicted today that the intensive Middle East negotiations of the past few weeks at Washington and the United Nations will begin to bear fruit next week.

U. S. officials in Washington said Egyptian agreement to allow U. N. troops into the Gaza Strip may break the Egyptian-Israeli deadlock, although an Israeli source was skeptical about Egyptian "promises."

Israeli Ambassador Abba S. Eban is scheduled to leave London tonight for Washington talks with Secretary of State John Foster Dulles.

Eban is en route from Jerusalem with new instructions from Premier David Ben-Gurion's government to bargain further for assurances against a resumption of Egyptian acts of belligerency before Israel pulls its troops completely out of Egypt.

Canadian External Affairs Minister Lester B. Pearson was reported considering asking the United Nations to call on Israel and Egypt to make "declarations of non-belligerency" to end the deadlock.

Position Shift Seen  
The Washington talks presumably will determine how far Israel will go along with Secretary General Dag Hammarskjold's statement to the U. N. General Assembly Friday that Egypt would admit the U. N. Emergency Force into the Gaza Strip and deploy on its northern border when Israeli troops withdraw.

Israeli Religious Affairs Minister Moshe Shapira, a member of the cabinet, said in Tel Aviv that Israel would be willing to hand over the Gaza Strip to the United Nations. This was virtual abandonment of Israel's earlier demand that the United Nations only work with Israel in Gaza.

But Shapira did not back down on Israeli insistence that Egypt be kept out of the strip entirely.

Until this and the problem of freedom of navigation for Israel on the Gulf of Aqaba are solved, the situation will either remain at an impasse or start to deteriorate, diplomats said.

The Israeli parliament swung strongly behind Premier David Ben-Gurion's "no withdrawal" policy Friday but postponed a vote pending the results of Eban's talks in Washington.

**Teenager Killed, Five Hurt When Auto Hits Pole**  
WHEATON, Ill. — One teenager was killed and five others were injured in the crash of a car into a utility pole Friday night.  
The victim was Don Zimmerman, 17, of Wheaton, son of Mr. and Mrs. Roy Zimmerman. He was one of five passengers in a car driven by Phillip Kaczorowski, 17, of Warrenville.  
Police said the car failed to make a curve on Manchester road on the west side of the city. The crash threw all but one of the car's occupants into the street. The injured were treated for shock and were not believed seriously hurt.  
They included Joan Troester, 17, Mary Jane Westwood, Pat Shanahan, 16, and his sister, Jill, also 16. Police said they understood the teenagers were students at Wheaton High School and were coming home from a movie.

latia, where she taught in a barny room with a pot-bellied stove for \$30 a month and of moving to Eldorado high school, where some classes were held in the janitor's home, others in the barn, and where desks kept toppling over.  
"Oh, but those were happy, happy years," she stated. "I worked two weeks trying to make a barny room at Galatia look like something. At Eldorado I painted, did upholstering at the school to try to make things look nice."  
"You younger teachers who have everything in the world miss the thrill of battling with bad conditions and winning."  
Speaking directly to the active teachers, she declared: "If you like pupils and want them to succeed, you're a dedicated teacher."  
She said she felt that juvenile delinquency has not attacked this area with full force as it has in other places and wondered if the teachers do not have the most to do with this condition.  
Then she spoke of where she thought the school had failed.  
"I think we have failed to teach children compassion," she began. "We have been so afraid of teaching sentimentality we have left out the poetry, the stories with morals, the Bible stories."  
"We are leaving out compassion and the issues of life come from the heart, not from the brain."  
"If we could kindle compassion in teenagers' hearts we wouldn't have sons striking fathers and mothers and playmates and doing other things they shouldn't do."  
"Retirement is rich. These roses tell me so. There are times for all things and it was time for me to quit."

## Rock 'n' Rollers Cause Bedlam On Times Square

NEW YORK — Thousands of teen-age rock 'n' roll fans turned Times Square into a bedlam Friday, jamming sidewalks and disrupting traffic in their frantic efforts to see a rock 'n' roll movie and stage show at the Paramount Theater.  
More than 150 policemen, some on horseback, were called out to try to control the crowd which began to form at 4 a. m. and by 8 a. m., when the theater opened its doors, had swelled to an estimated 5,000.  
Barriers were set up but they failed to keep the teen-agers from pouring onto Broadway and 43rd Street which eventually had to be closed off to motorists. Two girls received minor leg injuries and scores of others suffered assorted bruises as the crowd surged toward the theater entrance. A glass restaurant door was shattered, as was a window of a ticket seller's box at the theater entrance.  
At one point during the afternoon performance, the rhythmic stamping of 2,000 youngsters caused a second balcony to sway. The balcony was ordered evacuated so that fire and building inspectors could inspect it for safety and then was reopened.  
Others inside the huge theater danced in the aisles and lobby, jumped up and down in their seats and, in general, caused the greatest commotion in the Paramount's 31-year history.

**Russia Celebrates Armed Forces Day Boasting of New Army Weapons**  
MOSCOW (AP) — Soviet Russia celebrated Armed Forces Day today boasting that the Red Army is newly rearmmed with atomic and thermonuclear weapons to stop aggression and strengthen peace.  
"The development of the Soviet economy, in particular heavy industry, as well as the achievements of science and technology, have made it possible to rearm the army, air force and navy with first class armaments, including atomic and thermonuclear weapons," the army newspaper Red Star said.  
"The Soviet Army fights only in the just cause of the defense of its Socialist fatherland and its interests, to stop imperialist aggressors and strengthen peace," the Communist Party newspaper Pravda asserted.  
Salutes fired in Moscow and other cities marked the 39th anniversary of the Soviet armed forces.  
Soviet Defense Minister Georgi Zhukov charged in an address to a bemedalled company of marshals, general and admirals that the Western powers are following an aggressive policy aimed at war.  
Thanks to the constant attention of the party and the government, he said, the Soviet forces were equipped with the "very latest weapons and fighting technique and possess a staff which has admirably mastered these weapons and the means of applying them to contemporary conditions."

**House Committee Approves Funds to Complete Project**  
WASHINGTON — The House Appropriations Committee has approved \$1,300,000 to complete construction of the Devils Kitchen Dam project in Crab Orchard National Wildlife Refuge in southern Illinois.  
The \$3,300,000 project is expected to get under way this spring and be completed by late 1958 or early 1959.  
Rep. Kenneth J. Gray (D-Ill.) said Thursday the funds would cover the entire project, including the dam, roads, beaches and recreational areas.

**Blind Husband Fails In Frantic Attempt To Save Blazing Wife**  
CHICAGO — A blind husband's frantic attempts to put out flames that licked at his sightless wife's clothing failed Friday night.  
Mrs. Delia Fleming, 77, was lighting a cigaret when the matchbook suddenly ignited and flared out at her. Her husband, Glen, 60, beat the flames with his hands as they consumed her clothing.  
Two other residents of the hotel, one of them blind, ran to Mrs. Fleming's rescue when they heard her horror-filled shrieks as she became a living torch.

## Friends, Neighbors Plan New Home And Workshop for Invalid Dewey Simmons

NEW BURNSIDE, Ill. — If the plans of his friends and neighbors materialize, Dewey Simmons, an invalid for several years, will have a new home and workshop.  
Individuals and organizations in parts of Johnson and Williamson counties have joined in the drive for the former Johnson County treasurer and tax assessor. Simmons was forced to give up his job because of his death.  
Royce Bridges, editor of the Vienna Times, said contributions have been coming in at the rate of \$17 to \$19 a day since the drive began two weeks ago.  
Bridges said some persons have promised furnishings and building materials for the home and workshop. Others have said they will donate their labor in the construction.  
Mrs. Simmons sells cosmetics. Friends said she could sell the products and make rugs at the workshop which would be built on U. S. 45 at New Burnside.  
Even though Simmons is an invalid, he has tried to remain self-supporting by tackling a number of jobs. He has operated a trucking business and owned and managed a dirt-moving machine.  
For a while he traveled on a cot in a station wagon driven by his wife in an attempt to sell insurance.

Word has been received by Mrs. Edward K. Pickering of the death of her grandfather, H. O. Riddle, former resident of the Corinth community south of Thompsonville.  
For the past several years Mr. Riddle had lived in Spokane, Wash., having moved there due to bad health and was in Spokane at the time of death.  
Survivors include his wife, Rose; two sons, Otis of Spokane and Opo of Thompsonville RFD 1; two daughters, Bessie Woods of Wisconsin and Essie Fletcher, Alton. There also are 17 grandchildren and 15 great-grandchildren.  
The body will be returned for burial by the Courtney funeral home of Galatia, but funeral plans are not complete and will be announced later.

**Arrested**  
George Fletcher, arrested last night by Safety Sergeant C. L. Rockwell of the Illinois State police northwest of Raleigh, today was charged with driving while intoxicated and Sheriff William T. Barrett said a petition was being filed by the state's attorney to revoke Fletcher's probation.

## In Memoriam

In loving memory of my husband and father, Jesse J. Lee, who passed away 2 years ago Feb. 24. He meant so much in life to us. That when he passed away, The sun went down and it appeared The rain would always stay. We loved him and we dreamed of him.  
With all our gentle hearts, And it was more than we could bear.  
When we were forced to part, But after all God made the world, And he knows what is best, And in the wisdom of his ways He called him to his rest. He must have had some reason why,  
He took him to his own, And why he wanted us to live And carry on alone.  
For surely he is happier up there, But we go on living bravely And our life will be a prayer.  
Wanda, and Jacqueline Ann. \*201-1

## In Memoriam

In loving memory of my sister, Mrs. Bernice Swan, who passed away Feb. 22, 1954:  
Somewhere the sun is shining,  
Through mist of hazy blue;  
Somewhere there is no sorrow  
And hearts are happy and true.  
Somewhere there is no parting,  
Somewhere there is no pain.  
Somewhere my sis is waiting  
To greet me once again.  
And though beyond our understanding  
May this set our hearts to rest,  
Somewhere in His wisdom  
A loving God knows best.  
Sadly missed by Mr. and Mrs. Leo King and sons. 201-1

## In Memoriam

In loving memory of our dear mother, Mrs. J. T. Tavender, who passed away Feb. 23, 1952:  
When evening shades are falling,  
We sit in quiet alone,  
To our hearts there comes a longing  
If she only could come home.  
Friends may think we have forgotten,  
When at times they see us smile,  
But they little know the heart-aches  
Our smile hides all the while.  
Sadly missed by daughters, Ruth, Grace and Maud. \*201-1

### In Memoriam

In loving memory of our dear husband and father, John W. Aldridge, who passed away one year ago today, Feb. 23:  
At eve when twilight hour draws near,  
And sunset flames the sky;  
We think of you, dear Dad,  
And the happy days gone by.  
Thoughts of you come drifting back,  
Within our dreams to stay;  
To know that you are resting  
When twilight ends the day.  
Mrs. Bessie Aldridge and family. \*201-1

### In Memory

In loving memory of Mrs. Cora DeWitt, who passed away 2 years ago today, Feb. 23, 1955:  
Today recalls sad memories  
Of a loved one gone to rest.  
Those who think of her today,  
Are the ones who loved her best.  
Days of sadness still come over us,  
Secret tears do often flow,  
But memory keeps her near us  
Though she died two years ago.  
Sadly missed by the children:  
Mrs. Forrest Wilson, Mrs. Carl Brown, Donald DeWitt and Cecil DeWitt. \*201-1

### In Memoriam

In loving memory of Stanley Vinson who passed away eight years ago, Feb. 24, 1949.  
The years may wipe out many things,  
But this they wipe out never,  
The memory of those happy days,  
When we were all together.  
Sadly missed by wife, sons, brother and sisters. \*201-1

## Children's Fund To Establish Family Thrift Shop Here

A family thrift shop will be established at 108 North Vine street during the next week by the Christian Children's Fund, an international charitable organization which operates or assists 224 orphanages in 33 countries of the world and furnishes free clothing to orphaned and needy children and adults in the United States.  
Charles Harold Waincett of St. Louis is field representative for Christian Children's Fund, Inc.

A family thrift shop is a used clothing center where people may purchase good used clothing at nominal prices. The net proceeds of family thrift shops is used to furnish clothing and financial aid to the 224 orphanages and to other needy people in other countries and the United States.

Mrs. Ava Lyons will manage the family thrift shop. She was formerly ticket clerk with the C and H bus line and recently a room clerk at the Colonial hotel.

The Christian Children's Fund also has a plan which will enable school officials, at their discretion, to secure free clothing for deserving children. The clothing will be distributed to a parent of a school child who presents a duly authenticated referral slip to the thrift shop.

The shop will honor only bona-fide referral slips upon presentation of an adult member of the child's family. The referral slip will state the age, sex and size of the child for whom the clothing is desired. A referral slip must be signed by an official of the child's school and is non-transferable.

## SPRING MAKES THE DIFFERENCE

As you gaze at this scene of snow, ice, and leafless trees, your mind may skip ahead and picture green grass, abundant foliage, and a rippling stream. The very thought brings happiness. Spring makes the difference.

As grass, trees, and streams are fettered by winter, so some lives are bound by doubt, unbelief, lack of faith, and false ideas. When they come in contact with the Church, the love of God sets them free. They see new beauty in everything about them, and others see new beauty in their lives.

As spring brings all nature to new life, so God's love makes human beings happier, gives them life more abundant.

No matter how strong the fetters which bind you, freedom can be yours through the Church and the message it brings to all. Why not accept that freedom today?

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## 'Signs of The Times'

Matthew 16:1-12  
GOLDEN TEXT: "Ye can discern the face of the sky; but can ye not discern the signs of the time?" (Matt. 16:3)  
INTRODUCTION — Our Lord had gone about from city to city doing good. He had healed the sick, unstopped deaf ears, opened blind eyes, raised the dead, and even conquered the storm on Galilee. Now, in this lesson today, the Pharisees and Sadducees come asking for a sign from heaven.

The scripture is very plain at this point that they asked this question, "tempting him."  
Jesus had been telling his followers for a long time what God had awaiting them. He had spoken often of the Kingdom of God, or, the Kingdom of heaven. When the people of that day became worldly, formal and materially minded, the church got into a sad state of affairs. Let us take heed that the same thing does not happen to us today.

## I THE PHARISEES AND SADDUCEES (1-4)

Do you recognize the Pharisees and Sadducees? There are some of their relatives around today. The Pharisees were that group of people who reduced religion to formal set of creeds and ceremonies. Oh, but they were a pious group. They wore their religious robes at all times; so that people could see that they were religious. The outward appearance was of more importance to them than the inward cleansing.

The Sadducees were worldly minded. They placed their faith in material things. For instance, they did not believe in the resurrection. They did not believe in angels or spirits. They had to be able to see and feel before they would believe.

It was this group of people who came to Jesus asking for a sign from heaven. He had given many signs before, but they were unable to discern their true meaning. The reference here to Jona means his resurrection from death in the belly of the whale. It was a sign pointing to the resurrection of Jesus.

## II LEAVEN IN OUR MIDST (5-11)

Leaven always refers to evil influence in the Bible. Jesus was trying to warn his disciples that

the evil influence of the Pharisees and Sadducees would weaken them spiritually, if they listened to these people.

The followers of Christ here thought at first Jesus was talking about physical bread, because they had forgotten to bring any along. Then Jesus reminded them of the two times he had miraculously fed the thousands. He told them that by this time they should know that they would need never to worry about physical bread.

Let us take warning today. There are modernists who would cause you to doubt the virgin birth, the divinity of Jesus, and many other things of God. These folks are like "leaven." They are an evil influence.

CONCLUSION (12) "Then they understood." Is that not great? They came to an understanding of their Lord. Oh, the Pharisees and Sadducees did not understand, but his disciples did. In which group do you find yourself today. You can find understanding and salvation, if you will humbly submit yourself to Him!

The meet will include a full schedule of 10 events including 2 relay races and diving competition. The finals will be held at night after morning and afternoon preliminaries.

# Bull Dogs Upset Rams, 69-62

## Locals Shoot 54 Per Cent from the Field in Fast-Moving Contest

The Harrisburg Bull Dogs, shooting 54 per cent of their shots from the field, upset a big Mt. Vernon team here last night, 69 to 62, to give the locals three wins against nine losses as their final mark in the South Seven standings.

Tonight the locals will face the Johnston City Indians in Davenport gym. Last night the Indians beat Zeigler, 78-66.

The Bull Dogs put up remarkable team play as they performed probably the best any Harrisburg team has played since the 1952-53 championship outfit, before a gathering that was pitifully small.

The Bull Dogs, faced with the biggest team in southern Illinois, with 6-5 Kotter, 6-4-12 Don Williams, 6-3 Wiley Hopkins, 6-2 Don Neal, 6-0 Mike McGannon and 5-10 Jerry Changnon doing the playing for Coach Harold Hutchings' boys, hit 28 out of 52 field goal attempts.

Locals Play Fast Break  
The locals could not play such a big outfit at their own game, so they staged an ever-moving affair, fast-breaking Mt. Vernon to death at times and at other times passing the ball around until a man was open for a shot.

And believe it or not, Harrisburg was getting a better percentage of rebounds last night than they have in the past against many teams much smaller than the team faced last night.

The local team scoring is the best indication of team play. Bill Henshaw and Wayne Stone had 16

## Eldorado Wins Southern Illini Conference Title

### Eagles Take Close 66-65 Tilt From Metropolis

Eldorado, by taking a close 66-65 decision from Metropolis Friday night, won the first basketball championship of the new Southern Illini conference.

The game, played at Eldorado, saw the home team threaten to run away with the decision, holding a 14-10 quarter lead, extending the advantage to 37-26 at the half and quickly going in front 43-30 early in the third frame.

Then Metropolis rallied and from that point on held the upper hand, but didn't have enough gas to race across the finish line in front.

At the close of the third quarter Eldorado's lead was whittled to 53-46.

The two teams traded a couple of fielders early in the last quarter, then Metropolis hit for six consecutive points and trailed only 57-56. Three points for Eldorado put the Eagles ahead 60-56.

Risinger then scored a field goal, a free throw and with 2:55 on the clock connected for another field goal and Metropolis was in front 61-60. Dempsey, with 1:45 remaining, drove in for a basket that put Eldorado in front to stay, 62-61.

Cawthon scored two free tosses and Feuguay hit a jump shot and the Eagles were up 66-61.

Metropolis came roaring back. Taylor hit a short jump shot and Humma scored from under the basket to cut the margin to 66-65 as the final horn sounded with the home town Eagles the winner.

Richard Overton, of Eldorado and Fred Stratemeyer of the visitors tied for scoring honors with 18 each.

Eldorado finished its conference schedule with four victories in as many starts, winning two from McLeansboro and single games from Johnston City and Metropolis.

The preliminary game was also a one-point victory for Eldorado, 56-55, with the winning basket a long jump shot by Mike McMahon as the horn sounded.

## Basilio KO's Johnny Saxton In Second Round

CLEVELAND (U.P.)—Carmen Basilio, the snarling tiger man who flattened Johnny Saxton with perhaps the second fastest knockout in welterweight title history Friday night, challenged today for the middleweight crown.

"I want a shot at the winner of the Gene Fullmer-Ray Robinson fight," announced the fiery slugger who staggered Saxton a dozen times and smashed him to the canvas with a booming left hook for a knockout at 2:42 of the second round before 8,514 at Cleveland Arena, in their title "rubber match."

About \$48,000 richer for less than six minutes of work, the champion from Chittanooga, N. Y., sought "a real big-money fight" outdoors in May with middleweight ruler Fullmer or Sugar Ray, who are slated for a title bout at Chicago Stadium, April 24.

Meanwhile, Carmen was offered a guarantee of \$75,000 for a defense of his own 147-pound bonnet against the winner of next Tuesday's fight at Newark, N. J., between Vince Martinez and ex-champ Kid Gavilan.

Craggy-faced Basilio's kayo of streamlined Saxton in their third encounter was not the fastest in welter title history; for Jimmy McLarnin belted out Young Corbett, the third, at 2:37 of the first round on May 30, 1933 at Los Angeles.

Basilio was so thankful for his impressive victory that he dropped to his knees in mid-ring, while Saxton's handlers were half-carrying Johnny to his corner, and said a two-minute prayer of gratitude.

It was Carmen's 50th victory in 69 bouts and his 24th knockout. He went into the ring favored at 17-5 and it was the most impressive triumph of his career.

## Big 10 Approves Plan to Base Aid to Athletes on Need; Accepts NCAA TV Plan

CHICAGO (U.P.)—A plan to base all aid to athletes on their need will become effective in the Big Ten for students entering after next June 1.

The proposal was approved Friday by the faculty representatives by a vote believed to be 7-5.

The conference also went on record in favor of the NCAA plan to permit television of college football next fall, nationally on nine dates and regionally on four.

It also settled on a plan to pick the conference representative in the national basketball tournament, should two teams eligible for the tourney tie for the title.

Members would make "tenders of aid" to prospects on June 15 and Nov. 15 each year and athletes would be allowed 21 days in which to accept the offers. Once an athlete accepts a bid, he would become ineligible for aid at another conference institution.

The amount of aid permissible would be determined by a conference agency which would assess the ability of the prospect to stay in accordance with a financial statement he would be required to submit. The institutions then would be authorized to offer no more than the difference between the cost of education for one year and the ability of the individual student to pay.

Athletes who accepted illegal aid would become ineligible at all conference institutions and coaches offering illegal aid would be subject to discharge.
